ONCE upon a time a little girl named Gretchen stirred up a pot of dreams ~ A peck of flour, a pinch of spice, a cup of sugar oh, so nice. She sang and baked and sampled (perhaps a bit too much) and was happy.

One day at school a book appeared on the library shelf called *Little Fat Gretchen*. The children teased and taunted her until a wise and caring teacher whisked the book from the shelf and tucked it into her desk. At the end of the school year the teacher presented her with the book. "Have faith in yourself, and follow your dreams."

Gretchen followed her dream, and when a wonderful opportunity arose she led her family and friends through a storefront door. Little Fat Gretchen... had arrived.

– This true story inspired; and became the namesake for "Little Fat Gretchen's" cafe.
